

December 14, 1934

Dear Edson:

Thank you very much for the clipping. I was very interested in it, and I have great respect for Mr. Richard's opinion. I think things are going along very well, however; everybody is doing their very best to work it out most successfully. Let's see what the next few months bring forth.

Best wishes for a Merry Christmas and a Happy New Year.

Sincerely,

Mr. Edson B. Smith
