Mr. Ernest Angell  
Regional Administrator  
New York Regional Office  
120 Broadway  
New York, New York

My dear Ernest:

It is with great regret that I learn of your decision to leave us. If I thought I could persuade you to remain longer, I would certainly make every effort to do so. However, I have known for some time of your desire to return to private practice and under the circumstances I have no choice but to wish you success in your new undertaking.

The Commission joins me in expressing to you our deep appreciation for the splendid job you have done and for your unfailing loyalty.

Yours faithfully,

William O. Douglas
