

THE WHITE HOUSE
WASHINGTON

June 24, 1938.

MEMORANDUM FOR THE P. S.

Call up Bell and ask him
about Eleanor Townsend. I thought
it was all settled.

Dear Missy:

I learned of The President's schedule
yesterday when talking with Grace about the
Monopoly Meeting.

Certainly, I do not want to appear to
be "pushing" along such a wonderful favor --
but am being asked almost daily when I will
report to the New York Office -- (also this
being the vacation period the plans of several
are involved both here and in New York).
Their need is urgent I know. For these
reasons, and the fact that The President's
schedule takes him out of Washington so much
for the next two months, I do hope it may
be possible to "clear the deck" before they
get discouraged and appoint someone else.
So if you can pick my case out of the millions
before him I shall be ever grateful.

Best
Eleanor
