Memorandum to Chairman William O. Douglas

From: Samuel O. Clark, Jr., Director,

Subject: Transmittal of Memorandum re Functions of Securities and Exchange Commission under the Chandler Act to District Court Clerks.

I talked to Mr. Holtzoff this morning and told him of the interest the District Court Clerks had been evidencing in our work under the Chandler Act, and suggested to him the possible desirability of sending the memorandum which was sent to the District Court Judges to the clerks. He readily agreed and stated that it was an excellent idea. I then told him that the Chairman would address a letter to the Attorney General containing the suggestion. He said he would act upon the letter as soon as it was received. I have mailed the letter which you have previously signed.
