Mr. Aaron Spaulding
Old Executive Office Building
Washington, D.C.

Dear Mr. Spaulding:

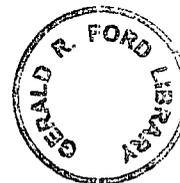

Since my last letter to you summarizing the names of persons who have actively supported my nomination as SEC Commissioner, some new names have been added, now totaling 45 persons from corporations, investment and auditing firms and academic institutions around the country. I feel very honored to have such highly respected people willing to speak in my behalf.

If you have any questions, please do not hesitate to call.

Sincerely yours,

Marilyn V. Brown
