### WPPSS BOARD ACTS ON CHANGE ORDERS

The Washington Public Power Supply System's Board of Directors today authorized or ratified a number of change orders for five nuclear power projects under construction. The action was taken at a special meeting of the Board held in Elma, WA, in conjunction with a tour of the nearby construction site for the Supply System's Nuclear Projects 3 and 5 (WNP-3 and WNP-5).

For WNP-3 and WNP-5, the Board ratified 62 change orders in amounts up to \$250,000 each during the first quarter to various contractors. The changes total \$4,804,363, including \$1,939,952 previously authorized.

For Projects 1 and 4 (WNP-1 and WNP-4), the Board ratified 156 change orders in amounts up to \$250,000 each made during the first quarter to various contractors. The changes amount to \$1,402,890 for WNP-1 and \$814,585 for WNP-4, both being built on the Hanford Reservation.

For WNP-2, also under construction at Hanford, the Board ratified 144 change orders in amounts up to \$250,000 each made to various contractors during the first quarter. The changes total \$3,290,799.

Under general business, the Board ratified 16 change orders of less than \$10,000 each for a total of \$28,458.
