Dear John:

Warm congratulations on your pending reappointment. I am glad to have this opportunity to tell you that I have long admired your ability to deal with the essentials of problems, and the strong moral force you bring to bear in deciding issues. I am gratified that the Commission will continue to have the benefit of your influence in deciding issues, not from the standpoint of technical legalities or fears of political repercussions, but in terms of moral rightness.

Sincerely,

Alan Rosenblat
