Dear John:

I appreciate receiving your letter of June 8, confirming the good news you gave me over the telephone. I have since read the articles that have appeared in the local press and am delighted to know that you are now set for four years more. I think it's ironic, however, that one of the main reasons your problem had a happy ending was the support of our friend Proxmire.

In the stack of mail that I'm answering this morning is a letter from Tom Korologos dated June 6, which enclosed a copy of the article which appeared June 5th in the "Star", commenting on the fact that The White House was still delaying your appointment. I am sure you have set him straight by now.

Thanks for the many kind things you say in your letter. Sister Bennett joins me in expressing the hope, yes -- the knowledge -- that these four years will continue to bring you success and satisfaction. Our warmest wishes to Gail and the youngsters.

Sincerely,

Wallace F. Bennett
