Dear Mr. Bowerman:

Since you have expressed an interest in the taxation of stock dividends, I thought I'd send you an update on what I've done in this area.

I have been examining H.R. 654, introduced by Congressman Pickle and have decided that the proposal will lessen double taxation of corporate profits and increase investment in our nation's corporations. At a time when the economy seems headed for a recession, this is the best possible type of legislation. Therefore, I've decided to cosponsor the bill.

I'm glad to know I have your support. Keep in touch.

Sincerely,

Mickey Edwards  
Member of Congress
