Jennifer A. Fitzgerald, Executive Assistant
to the Vice President
Office of the Vice President
Washington, D.C. 20501

Dear Ms. Fitzgerald:

This is a follow up on the invitation to Vice President Bush last January.

The Securities and Exchange Commission would like very much for Vice President Bush to address the 1984 Major Issues Conference on June 28th at a dinner in the International Ballroom of the Washington Hilton Hotel. His remarks can be as brief and informal or as extensive as he wishes.

We would like to commemorate the occasion with a plaque in appreciation of his distinguished service to the nation.

The enclosed booklet describes the concepts developed or amplified at the 1982 Major Issues Conference, which have since been implemented or proposed by Vice President Bush's Task Group on Regulation of Financial Services, the Administration, the SEC and Congress.

Since other arrangements depend upon the Vice President's decision, a response would be sincerely appreciated within 10 days. I do hope he can join us.

Sincerely yours,

John Shad
