Ken,

Marty Farmer just called. He reports that Barnard is the ringleader of the meeting tonight. There are supposed to be 20 members of House Banking involved. Ten of the Mayflower group have actually put up \$30-35 each. The ten are:

- Citi
- Morgan
- Security Pacific
- Bankers Trust
- American Express
- Sears
- Hancock
- Capital Holding Co. (KY)
- Household
- Merril Lynch

I asked Marty to get to Bill Nelson, relating the St G call to you. Ever the Pangloss, he says that means St G is serious about this effort, since he must be checking our work. I agree with Pangloss.

Naegle's person spoke to Kennedy's (Joe) LA. Kennedy is still undecided, but is considering supporting us. Our man Duffy reports that he is still trying to reach Kennedy. I told Linda G to tell Duffy to keep trying.
