

Judge Morris Lasker,

Oct. 15, 1987

I am writing this letter on behalf of my brother Ivan Boesky. Ivan has been my total source of income since my divorce sixteen years ago. He has given me moral support as well as financial. He has provided an opportunity for me to live a comfortable, productive life. Ivan is first & foremost a family man and a caring member of the community. I know him as a generous, charitable person. I know the good that Ivan has done will return to him in his time of need. Thank you for reading this letter. I hope a little more light has been shed on the beautiful character of my brother Ivan.

Sincerely,

Suzanne Davis
