Dear Stan:

Thanks for contacting me about legislation which would change the way lawyers may bring suits under the Securities and Exchange Act of 1934. I agree with you that elements of our legal system absolutely need reform.

The bill has been referred to the House Energy and Commerce Committee. Its Telecommunications Subcommittee is expected to hold hearings on the bill in the next Congress.

There may be a move to offer the bill as an amendment to legislation considered by the House during the remaining days of this Congress. Should such a move take place, I'll give your support full and serious consideration.

With best regards,

Mickey Edwards
