

January 31, 1935

My dear Mr. Berle:

I am taking the liberty to quote in a speech I am drafting for use in Chicago next week your description of the service done by the business world in the form recently released for permanent registration of securities on stock exchanges.

If you see it widely quoted just conclude it was another contribution of yours to public welfare.

Appreciating your continued interest, I beg to remain

Yours truly,

Joseph P. Kennedy

Mr. A. A. Berle, Jr.
70 Pine Street
New York, New York
