Honorable Robert H. Jackson  
Assistant Attorney General  
Washington, D. C.

My dear Mr. Jackson:

Thanks for your kind note of August 28th with its complimentary reference to my Geneva speech and my recent book. I am very glad if the latter is proving to be of some practical value.

Since your letter Mr. Cohen has sent me a copy of the government briefs in the Bond and Share case. I have not had time to go over them yet but shall do so with much interest.

With kindest regards,

Yours sincerely,

*Edward S. Corwin*
