

U. S. SECURITIES AND EXCHANGE COMMISSION
Washington 25, D. C.

9-21-51

As a result of conferences held with industry groups, the Commission has compiled the following list of securities of Canadian issuers, which the Commission has reason to believe recently have been distributed or currently are being distributed in the United States in violation of the registration requirements of the Securities Act of 1933.

It is expected that the Commission will supplement this list from time to time by adding names of additional issuers or, in cases where satisfactory evidence has been submitted to the Commission, by deleting names therefrom.
