Dear Bill:

In a letter dated August 2, 1954, addressed to the Heads of Executive Departments and Agencies, President Eisenhower has called upon all Federal employees to accord the Community Chest a primary place in their voluntary giving. A copy of the President's letter is enclosed.

The Honorable George M. Humphrey, Secretary of the Treasury, has been designated Vice Chairman of the United Community Campaigns of America to coordinate Federal Government participation in these campaigns. In accordance with the Secretary's request, all members of your staff should be given the opportunity to understand the vital necessity of the campaign and to participate on a voluntary basis.

Your full cooperation with the Community Chest organization in your locality is of the utmost importance to a successful campaign.

Sincerely yours,

Ralph H. Demmler
Chairman
