

Mr. President

Your immediate attention to the Stock Market and the economy of the USA is most Urgent. The millions of small investors shall remember this trying time (as 1929) and will see that your Socialistic minded administration will go down in history.

Please for the sake of the U.S. Kids your administration of these socialist advisors and return the country to the people for our Heritage.

I have been a life long democrat being born a Southerner \_\_\_\_\_ shall change my political party.
