CHAIRMAN'S OFFICE

TIME
SEC. & EXCH. C

The Honorable William L. Cary
Chairman
Securities and Exchange Commission
425 Second Street, N. W.
Washington 25, D. C.

Dear Mr. Cary:

The Senate Committee on Rules and Administration is proceeding with the study of possible incompatible activities of Senate staff personnel, which was authorized by Senate Resolution 212, a copy of which is enclosed herewith.

For the purpose of its investigation, the Committee has directed me to request you to provide such pertinent information and assistance as may be available in your agency.

Inasmuch as certain alleged activities of the former Secretary for the Majority of the Senate, Robert G. Baker, contributed to the Senate's decision to conduct the pending study, it would be helpful if the Committee might share in whatever material and information may be in the records of your department on this aspect of the inquiry.

If you could assign one person in your agency -- such as the General Counsel -- with whom we might confer about this matter, it would be deeply appreciated.

With appreciation for your cooperation in this concern, and with all best regards,

Sincerely,

B. Everett Jordan
