WASHINGTON

MEMORANDUM FOR  
MARVIN WATSON

You asked me to check on the status of Ezra Weiss as a result of your call from Congressman Emanuel Celler. Weiss at one time was considered for the Regional Director post of S.E.C. in New York City. He indicated his interest in employment in Washington rather than New York City.

As a result, Ezra Weiss will be joining the Securities and Exchange Commission in January as Assistant Chief Counsel of the Division of Trading and Markets.
