Senator Carl Albert
Speaker of the House
Washington, D.C.

Sir:

Our state Representative David Boren ask us the undersigned to write you concerning an organization known as World Market Centers Inc. located at 405 N. Meridian Okla. City, Okla.

This organization opens stores by selling what they call dealerships. Key dealers cost \$2000.00 and dealers cost \$400.00. It operates on a pyramid system. Many of us after investing on the word of good friends find that the Better Business Bureau has very little good to say about same. Therefore we would not attempt to sell our friends. We feel that we have more or less been treated unfairly and in many instances that World Market Centers have failed to keep their word.

Representative Boren has ask that we have you refer this matter to the Security Exchange Commission for investigation. Representative Boren is also working on this matter.

Kindest Regards,

Esta Malone
