Senator Carl Albert, Speaker of the House
U. S. House of Representatives
Washington, D.C. 20515

Sir;

Thank you for your kind intrest and response about the World
Market Center in Okla. City.

We feel certain that if a ruling was ask for the court would
rule that they are selling securities. This has already been done
in Hawaii and other states, Arizona ordered them to close. Is there
some way you could ask for a ruling on this matter? Have you
considered any legislation from a national stand point?

Kindest Regards,

Ester Malone
