Dear Mr. Sheridan,

As my attorney Alan Rosenberg mentioned to you, I feel it inappropriate at this time for us to meet I would, however, like to mention some facts that have eluded the press thus far.

Ivan has been a model father and has been instrumental in setting the highest standards of ethics and morality in our home. Therefore, the recent scandal is an aberration in his general conduct which our family has found difficult to understand. He has taught us philanthropy, religion and has always been an observant jew, encouraged truth and honesty regardless of consequences, and always treated those he worked with fairly. I am proud of the many fine deeds Ivan has done for others, and by the influence he has had on our four children these twenty-one years. Each of our children is an exceptional young citizen and they serve as a tribute to both of us. I pray that Ivan's fine qualities are taken into consideration, for his strengths far outweigh his weaknesses. May the judge have mercy in connection with his sentencing.

Yours sincerely,

Seema Boesky
