U. S. District Court
Southern District of New York
U. S. Courthouse
New York, New York 10007

Dear Judge Lasker:

I have been asked to write to you concerning my knowledge of Ivan F. Boesky. I knew him first thirty years ago when he attended school with my own children. I knew his family as well. As a member of the Detroit community, Ivan was a hard worker; he devoted considerable effort to community service and, so far as I know, was a good and dedicated citizen. Also, I know of his dedicated work and was involved with him in the city of New York for many charities.

I hope some consideration can be given to his life here in Detroit during those years and his other activities in New York in determining his debt to society and the manner in which he is to pay that debt. I trust that he will thereafter return to a private life in which he again can contribute to our community.

Very truly yours,

Max M. Fisher
