Dear Arthur -

Greetings from your old stomping grounds! I'm still around, but mornings only.

I just wanted to congratulate you on your campaign to "clean" up the municipal contribution racket - It's sorely needed and you are on the right track. I'm so glad I'm out of that area. It used to be that you got hired for talent and ideas - now it's often politics and money.

Best wishes to you and I hope you are successful!

Sincerely
John
